Play the Whistle

Play the Whistle is an initiative to encourage competing hockey teams, team officials (off field staff) and spectator groups to play in the true spirit of the game. The spirit of the game encompasses demonstrating behaviours that are outlined in the codes of behaviour. Teams that demonstrate the true spirit of hockey will be rewarded with points corresponding to their degree of fair play at the end of each match. The allocation of points will be decided by the umpires and technical officials and recorded on the match report. An award will be given to the team with the highest number of points accumulated at the end of the championship.

This initiative will be phased in over several years with the intention of it filtering down to club competition levels.
