Please give as much information as you can so selectors can assess your suitability to be considered for selection. You should include supporting documentation from your Club/Association coach with contact details for that person. This documentation should outline your previous representative play and other relevant information regarding your hockey. If unable to attend, NDWHA will endeavour to have a selector review your performance at a training or equivalent session.

NDWHA may request supporting documentation.

If injury occurred after nomination, this form is to be forwarded to the rep@ndwha.com.au as soon as possible.

You should expect to receive a reply from the NDWHA Rep Coordinator regarding your exemption within 5 days.
