

Modified Info Day 2023

* Come and Try It days will be Saturdays 4th & 11th February 10 - 12am and Wednesday 8th February 5.30 - 7pm.

* There will be 12 games starting on 25th March with our annual BBQ/Presentation on Saturday 19th August.

* Games will be on Saturday mornings.

* We will have 2 competitions this year:

Joeys - Under 8s

- play on 1/4 field
- 7 players on the field
- maximum of 10 registered players

Kangas - Under 10s

- play on 1/2 field
- 8 players on the field
- maximum of 12 registered players
- fully kitted goalkeeper

* Rules for both Grades are on the NDWHA website - note the rules for corners in Kangas and please make sure coaches have a copy.

* Trial New Rule - Kanga teams to play with a fully kitted goalkeeper

* Kanga Teams - some fields will be marked with small blue dots on the circle lines - make sure that Kanga teams play on these marked fields. Kanga games will be played on the training turf as much as possible.

* Two umpires will be allocated to games as for Junior grades and must be paid \$5 per game by teams.

* Each team is responsible for putting goals away at the end of games unless there is another Modified game after.

* Encourage the kids to sign their name on the card - not compulsory but a good idea to get them used to signing cards especially the Kanga's.

* Christine will once again be mentoring the Modified umpires. She will need some assistance from some of the older young umpires as there is often 4 or 5 games going at one time with 8 to 10 umpires needing help. A form will be sent out soon for anyone who would like to either help mentor or umpire.
